The questions below are being asked for purposes of the AGB/NACUBO Looking Under the Hood online benchmarking tool. No data descriptive of individual institutions elicited from these questions will be made public by AGB, NACUBO, or The College Board. Please address any inquiries or concerns about these questions to NACUBO.Research@nacubo.org. In providing percentages for these questions, first determine Total Undergraduate Institutional Scholarships/Grants Dollars. This total, used in all three questions, is the sum of the two values populating the need-based and non need-based institutional aid cells in the third line of the Common Data Set (CDS) H1 chart. Also, for all three questions, use the academic reporting year selected in CDS H1. Whole numbers only, please.

For dependent students, this will include the parents adjusted gross income and the student's adjusted gross income. For independent students, this will include the student's adjusted gross income. Assign students who did not apply for financial aid to the "Missing/Unknown" category.
