

Building a Connections Profile

Your Connections profile is a visual representation of your institution for students using the BigFuture School App.

Building a Connections™ profile is simple—it can be completed in minutes. There are just four required pieces of information to build your institution's profile:

- 1 COVER IMAGE
- 2 LOGO – SQUARE AVATAR
- 3 INSTITUTION NAME
- 4 CITY AND STATE

Optional profile details include:

- Institution description
- Logo - wordmark: variable width; 512px height
- Inquiry form URL: additional details will be provided on how to create your inquiry form for Connections.
