

2025-26 Connections Print Pricing

Connections™ Print, an à la carte offering, empowers you to engage with Connections participants beyond the BigFuture® School app.

Connections Print allows you to reach millions of students and families via direct mail while maintaining student privacy. By offering creative design flexibility, a curated list of product offerings, and message personalization, Connections Print ensures impactful messaging that resonates with prospective students.

When you integrate Connections Print into your existing direct mail strategy, you can seamlessly extend your reach without stretching your budget.
